

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Weaver's Cove Energy, LLC

Docket No. CP04-36-005

NOTICE OF EFFECTIVENESS OF WITHDRAWAL AND
TERMINATION OF PROCEEDING

(July 6, 2011)

On January 30, 2009, Weaver's Cove Energy, LLC (Weaver's Cove) filed an application, in Docket No. CP04-36-005, pursuant to section 3 of the Natural Gas Act (NGA) to amend its July 15, 2005 authorization to construct and operate a liquefied natural gas (LNG) terminal in Fall River, Massachusetts. In the 2009 amendment application, Weaver's Cove requested authority to site, construct, and operate an offshore berth for receiving and unloading LNG for the approved terminal, in Mount Hope Bay in Massachusetts waters.

On June 20, 2011, Weaver's Cove filed a notice of withdrawal of the amendment application. No motion in opposition to the notice was filed with the Commission within 15 days of the filing, and the Commission did not disallow the withdrawal within that period. Therefore, pursuant to 18 C.F.R. § 385.216(b) (2011), the withdrawal became effective July 6, 2011, 15 days from the date of filing of the notice, and the proceeding was terminated.

Kimberly D. Bose,
Secretary.
