The Town of Jamestown seeks five (5) citizens to serve on the Committee on LNG Threat for the three-year term, expiring 07/01/2013. The new committee reports to the Town Council and is charged with the task of gathering, managing and disseminating information pertaining to the planned transport of liquified natural gas (LNG) through the east passage of Narragansett Bay to a terminal to be constructed in Mount Hope Bay. Meetings will be conducted monthly, and more often as needed. Contact Cheryl Fernstrom, Town Clerk, at 93 Narragansett Avenue by submitting a letter of interest and application prior to May 10, 2010. Applications may be found on the Internet at [www.jamestownri.net](http://www.jamestownri.net) or at the Town Clerk's Office. For more information and a copy of the committee charge contact the Town Clerk at 423-9800.
